Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Saturday 12 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and mostly sunny with Sunday hotter than recent days.

Today:
A fine and sunny day for most, though some fair weather cloud will be around. Warm with similar temperatures to recent days, though the breeze taking the edge of the heat a little. Maximum temperature 22 deg C (72 deg F).

Tonight:
A mostly clear and dry night, with a few shallow fog patches possibly forming in prone areas. Remaining warm overnight for most. Minimum temperature 7 deg C (45 deg F).

Sunday:
Another fine, dry and sunny day with fair weather cloud. Temperatures higher than Friday and Saturday for most, though the south coast may not see as big a change. Maximum temperature 26 deg C (79 deg F).

Outlook for Monday to Wednesday:
A largely fine and dry start to the week, with temperatures dropping back down from Sunday. A risk of thunderstorms developing late Wednesday, most likely in the south and east.
